Scandinavian Journal of Caring Sciences

Volume 20, Issue 1, March 2006

1 *K. Eriksson, D. Nåden & A. Bjorn* The silver anniversary of the Nordic College of Caring Science

2 *H.-G. He, T. Pölkki, A.-M. Pietilä & K. Vehviläinen-Julkunen* Chinese parent's use of nonpharmacological methods in children's postoperative pain relief

10 *E. Jakobsson, T. Johnsson, L.-O. Persson & F. Gaston-Johansson* End-of-life in a Swedish population: demographics, social conditions and characteristics of places of death

18 *T. S. Ingadóttir & H. Jonsdottir* Technological dependency – the experience of using home ventilators and long-term oxygen therapy: patients' and families' perspective

26 *S. Weyers, R. Peter, H. Boggild, H. J. Jeppesen & J. Siegrist* Psychosocial work stress is associated with poor self-rated health in Danish nurses: a test of the effort–reward imbalance model

35 *H. Wigert, R. Johansson, M. Berg & A. L. Hellström* Mothers' experiences of having their newborn child in a neonatal intensive care unit

42 *L. Berg, C. Skott & E. Danielson* An interpretive phenomenological method for illuminating the meaning of caring relationship

51 *G. Kulla, A. Sarvimäki & L. Fagerström* Health resources and health strategies among older Swedish-speaking Finns – a hermeneutic study

58 *U. Edéll-Gustafsson, J. Carstensen, Q. Regestein, E. Swahn & E. Svanborg* Hyperarousal, depression and quality of life – validity and reliability of the Swedish version of the Hyperarousal Scale

68 *E. Efraimsson, P.-O. Sandman & B. H. Rasmussen* 'They were talking about me' – elderly women's experiences of taking part in a discharge planning conference

79 *A. Fägerskiöld* Support of fathers of infants by the child health nurse

86 *E. Ingadóttir & M. Thome* Evaluation of a web-based course for community nurses on postpartum emotional distress

93 *B. Nilsson, U. Å. Lindström & D. Nåden* Is loneliness a psychological dysfunction? A literary study of the phenomenon of loneliness

102 *H. Gavois, G. Paulsson & B. Fridlund* Mental health professional support in families with a member suffering from severe mental illness: a grounded theory model

Volume 20, Issue 2, June 2006

111 *S. Borbasi & W. Chaboyer* Taking the lead: opportunities await nurses

113 *I. L. K. Karlsson, M. Ehnfors & B.-M. Ternestedt* Patient characteristics of women and men cared for during the first 10 years at an inpatient hospice ward in Sweden

122 *J. Crilly, W. Chaboyer & M. Wallis* Continuity of care for acutely unwell older adults from nursing homes

135 *E. Wressle, L. Eriksson, A. Fahlander, I.-M. Rasmusson, U. Tedemalm & K. Tängmark* Patient perspective on quality of geriatric care and rehabilitation – development and psychometric testing of a questionnaire

143 *A. Hagihara & K. Tarumi* Doctor and patient perceptions of the level of doctor explanation and quality of patient–doctor communication

151 *C. L. Erlingsson, S. L. Carlson & B.-I. Saveman* Perceptions of elder abuse: voices of professionals and volunteers in Sweden – an exploratory study

160 *A. Berlin, S.-E. Johansson & L. Törnkvist* Working conditions and cultural competence when interacting with children and parents of foreign origin – Primary Child Health Nurses' opinions

169 *A. Ågren & M. Berg* Tactile massage and severe nausea and vomiting during pregnancy – women's experiences

177 *Ø. Kirkevold & K. Engedal* The quality of care in Norwegian nursing homes

184 *C. Norman* The Fountain House movement, an alternative rehabilitation model for people with mental health problems, members' descriptions of what works

193 *A.-C. Englund, J. Hartman & K. Segesten* Assisting teens with asthma to take command

202 *C. Hildingh, R. V. Luepker, A. Baigi & E. Lidell* Stress, health complaints and self-confidence: a comparison between young adult women in Sweden and USA

209 *E. K. Svavarsdottir & B. Orlygsdottir* Health-related quality of life in Icelandic school children

216 *M. Osborn & J. A. Smith* Living with a body separate from the self. The experience of the body in chronic benign low back pain: an interpretative phenomenological analysis

223 *K. Ziegert, B. Fridlund & E. Lideu* Health in everyday life among spouses of haemodialysis patients: a content analysis

229 *H. Sveinsdóttir* Self-assessed quality of sleep, occupational health, working environment, illness experience and job satisfaction of female nurses working different combination of shifts

238 Announcement

238 Erratum

Volume 20, Issue 3, September 2006

239 *M. Arman & A. Rehnsfeldt* How can we research human suffering?

241 *S. Isovaara, M. Arman & A. Rehnsfeldt* Family suffering related to war experiences: an interpretative synopsis review of the literature from a caring science perspective

251 *K. Jaracz, M. Kalfoss, K. Górna & G. Bączyk* Quality of life in polish respondents: psychometric properties of the Polish WHOQOL – Bref

261 *C. Delmar, T. Bøje, D. Dylmer, L. Forup, C. Jakobsen, M. Møller, H. Sønder & B. D. Pedersen* Independence/dependence – a contradictory relationship? Life with a chronic illness

269 *A. Adolfsson & P.-G. Larsson* Translation of the short version of the Perinatal Grief Scale into Swedish

274 *L. Lindberg & I. Swanberg* Well-being of 12-year-old children related to interpersonal relations, health habits and mental distress

282 *H. Vaartio, H. Leino-Kilpi, S. Salanterä & T. Suominen* Nursing advocacy: how is it defined by patients and nurses, what does it involve and how is it experienced?

293 *J. Spiers* Expressing and responding to pain and stoicism in home-care nurse–patient interactions

302 *K.-I. Perseius, E. Andersson, M. Åsberg & M. Samuelsson* Health-related quality of life in women patients with borderline personality disorder

308 *I. Skärsäter* Parents with first time major depression: perceptions of social support for themselves and their children

315 *A.-M. Hävermark & A. Langius-Eklöf* Long-term follow up of a physical therapy programme for patients with fibromyalgia syndrome

323 *M. Löf, E. C. Svalenius & E. K. Persson* Factors that influence first-time mothers' choice and experience of early discharge

331 *H. Lindstedt, A.-B. Ivarsson & A. Söderlund* Background factors related to and/or influencing occupation in mentally disordered offenders

339 *B. Myrin & M. Lagerström* Health behaviour and sense of coherence among pupils aged 14–15

347 *B. Wadensten* An analysis of psychosocial theories of ageing and their relevance to practical gerontological nursing in Sweden

355 *L.-O. Persson & A. Rydén* Themes of effective coping in physical disability: an interview study of 26 persons who have learnt to live with their disability

Volume 20, Issue 4, December 2006

365 *I. Berghom* Looking back and looking forward

366 Announcement

367 *F. Hjelmblink & I. Holmstrom* To cope with uncertainty: stroke patients' use of temporal models in narratives

375 *A. Kahanpää, M.-L. Perälä & O. Räikkönen* Consistency of quality assessments in long-term care by the clients, family members and named nurses

386 *E. Häggström-Nordin, J. Sandberg, U. Hanson & T. Tydén* 'It's everywhere!' Young Swedish people's thoughts and reflections about pornography

394 *P. McGrath, H. Holewa & Z. McGrath* Nursing advocacy in an Australian multidisciplinary context: findings on medicocentrism

403 *A. S. Isaksen & E. Gjengedal* Significance of fellow patients for patients with myocardial infarction

412 *Å. Franzén-Dahlin, E. Billing, P. Näsman, B. Mårtensson, R. Wredling & V. Murray* Post-stroke depression – effect on the life situation of the significant other

417 *Y.-H. Jeon, H. Brodaty, C. O'Neill & J. Chesterson* 'Give me a break' – respite care for older carers of mentally ill persons

427 *C. Borg & I. R. Hallberg* Life satisfaction among informal caregivers in comparison with non-caregivers

439 *M. Pirskanen, A.-M. Pietilä, P. Halonen & E. Laukkanen* School health nurses and substance use among adolescents – towards individual identification and early intervention

448 *L. Jerdén, C. Hillervik, A.-C. Hansson, R. Flacking & L. Weinehall* Experiences of Swedish community health nurses working with health promotion and a patient-held health record

455 *I. S. Sjetne & K. Stavem* Properties of a Norwegian version of the Ward Organisational Features Scales

462 *I. Snellman & K. Wikblad* Health in patients with Type 2 diabetes: an interview study based on the Welfare Theory of Health
